The Otley Bellman is centre stage with Ilkley u3a chair Angie Grain and Otley Town Mayor Councillor Sylvia Thomson.

The musicians and singers were ten members of the Tuesday Tappers, in a sort of group busking mode, some rehearsed, some spontaneous, mingled with additional musicians from the Swinging Sixties...

They played for close on two hours, and were well received.

Around 20 u3a members, mainly from the Otley Ambassador Team enthusiastically talked to over 200 members of the public during the afternoon.

In newly acquired bright yellow tabards, they created quite a buzz.

They handed out leaflets promoting u3a and encouraged those of a certain age to enter the prize draw by visiting our website.

One of several tweets about this event. A message to our Facebook account enquired about where we had purchased our tabards.
