Nearly 40 u3a members and friends attended this presentation by Brenda Ainslie in Clarke Foley Friday morning 19th August.

The topic was “The Climate Crisis and some solutions”.

Appropriately Brenda addressed the audience from her Nottinghamshire home via Zoom, the technology allowing the audience to ask a range of questions directly to Brenda from the floor.

The session was chaired by Mike Pilling of the [Ilkley & District u3a Environment Forum](#)

Brenda is a member of [Cotgrave u3a](#) and has recently become heavily involved in environmental issues. She is a leading member of [u3a climate change network](#)
