

U3A Railway Group trip Tuesday 25th April 2017

37 members & friends took full advantage of a Northern Rail Round Robin ticket.

A pre recorded commentary was provided by Friends of Settle & Carlisle that kept us informed on this iconic journey.

Our thanks to Robin Leleux and Steve Weatherley who provided commentary from Skipton to Settle and Carlisle to Newcastle. Also to Louise Rutherford Station Manager at Newcastle who provided a guided tour that included having a go at being station announcer and driving a train simulator.

Graham Nuttall (aged 41) and Ruswarp (aged 14) were inseparable companions, and on 20th January 1990 they went walking in the hills.

They failed to return. Graham's body was found on 7th April. His faithful dog Ruswarp had stayed at his master's side for 11 winter weeks.

A bronze statue of Ruswarp was unveiled in 2009 to mark the 20th anniversary of the line's reprieve, its subsequent success and the loyalty of "man's best friend".

Ruswarp sits on the southbound platform at Garsdale station
